Why Disney should not make a Wings Of Fire Movie

sandwings124

1.There will be singing
2.They will combine storyline into one movie and leave out darkstalker and the ones in the lost continent
3.They will leave out battles and fights
4.Will be not very well animated
5.They will probably leave out a ton of details (if they even follow the storyline)

Ikr! The Percy Jackson movie was really bad, and the books were awesome!
Tui has said, though, that she thinks Wings of Fire would be better portrayed as a TV show, and I like the idea of that. There would be more room for content since they didn't have to cramp everything into an hour or two

A WoF Musical would be fun if done right.

Has to be edgy though, not Disney musical.

WoF Miniseries though.
